ITEM DESCRIPTION	PART #	QUAN	PRICE

All returns require an RA# and MUST be in condition as received. Any installed any/or modified part is absolutely not returnable. A 20% restocking fee may be assessed. Absolutely NO REFUNDS on shipping/postage. All items are shipped insured mail. No returns after 30 days of invoice. No, I can't simply drop a spring in an envelope and mail it to you. It will never get there, I must use the tear-proof padded mailers. Returns must be never be placed in a standard envelope. I won't get that either. The USPS sorting machines raise havoc with simple envelopes.
