All returns must be in original received condition. Any installed/modified part is absolutely not returnable. A 20% restocking fee may be assessed. Absolutely NO REFUNDS on shipping/postage/insurance charges. No, I cannot simply drop a spring in a standard envelope and mail it to you - it will never get there. The USPS raises havoc with their sorting machines. NO RETURNS ACCEPTED if not mailed in a padded mailer or box. No returns after 30 days of invoice.
